

NHS Chapter Pillar Award Nomination 2024

Nomination Introduction

Welcome to the Nomination Form for the NHS Chapter Pillar Awards of Excellence.

We're excited to celebrate your chapter's dedication and achievements. Please review the criteria carefully and reflect on your chapter's work during the 2023-2024 school year before submitting your nomination. Remember, nominations are due by May 31, 2024, and awards will be announced in September 2024.

Criteria:

**Active chapter membership during both nomination and award year
Complete all sections of nomination form**

Deadline: May 31, 2024

To Complete Nomination: Fill in the basics about your chapter, describe your standout achievements, and detail the impact of your key initiatives using our self-reflection rubric.

Meet with your NHS officers and review the NHS Chapter Pillar Award of Excellence Rubric. Reflect on the chapter's work during the 2023-2024 school year in each of the pillars and do a self-rating in each area of establishing, developing, impacting or transforming.

- **If the chapter is “establishing” or “developing” in all pillars, use the rubric to guide the chapter’s growth next year to prepare for nomination of your chapter for an Award of Excellence next school year.**
- **If there are pillars, where your chapter is “impacting” or “transforming”, you may nominate your chapter for an Award of Excellence in that pillar. Go here to complete your nomination. A chapter can only self-nominate for one award.**
- **If the self-rating shows your chapter is “impacting” or “transforming” in every pillar, consider nominating the chapter for the NHS Chapter Pillar Overall Award of Excellence.**

Prepare responses for the nomination, referring to this pdf of the proposal. The following need to review and sign off the nomination.

- **NHS adviser**
- **2 NHS student members**
- **School administrator**

Complete Survey Monkey nomination.

Submit nomination by Friday, May 31, 2024.
